Hard Skill

- c
- c++
- python
- javascript
- react js

Soft Skill

- Teamwork
- Adaptability
- Problem-solving
- Interpersonal skills

Achievements

Got 3 star on codechef,
Solved 150+ problems on codechef.

Completed Algorithm Specialisation by
Stanford University on coursera

Got Specialist Title on codeforces.

About Me

A persistent problem solver, Strong hold over Data
Structures and Algorithms, Solved 1000+ coding
problems

Education
